

1. Go to www.archive.org
2. Click on "sign in."
3. Click on Register "here" for free.
4. Type school email, screen name (use the same name you use to log onto the computer such as 14ldwillian) and a password.
5. Verify by typing words
6. Click on "Get library card."
7. Click on "upload" in upper right-hand corner of the screen.
8. Click the blue "share" button in upper right-hand corner of the screen.
9. Complete title, description, keywords, author.
10. Select "choose license." Selected no, no, and United States.
11. Click on "Select a License." Click "proceed."
12. Wait for the green box at the top where your video is uploading is complete.
13. Click on "Share my File(s)" at the bottom of the screen.
14. Click on the "home" link at the top of the page.
15. Then click on "Contributions" link at the top of the page.
16. Click on "tasks that are done".
17. Click on the title of your video. When it loads, click on "embed this" found under the video in the large center box. **Note: It takes several minutes to hours for the embed code with the video to appear in the large center box. Just keep checking until it shows.**
18. Copy the code in the box.
19. Paste it into the wikispaces using "other" under Widgets. Remember to save.
